

## ICI/PRO 28 Day Challenge

Hi,

I'm participating in a series of 28 challenges, over the next four weeks, which are designed to help me grow and improve as an Indoor Cycling Instructor.

One of the challenges for this week is to ask for feedback from a few of my participants so I can better understand - *what are you looking for in an Instructor?*

Are you willing to help?

*Short and sweet; what's your pleasure?*

Please rank #1 (best) – #6 (least) the following attributes by importance to you... **you're not grading me here, only indicating your personal preferences.**

I look for an Indoor Cycling Instructor who is:

- ☐ Friendly
- ☐ Motivating
- ☐ Inviting
- ☐ Educational
- ☐ Fun
- ☐ Knowledgeable

Thank you for your responses!
